

COVID-19 Return to School Flow Chart

For students and staff

Symptoms of COVID-19:

Less Specific:

- Fatigue
- Muscle or body aches
- Headache
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

More specific:

- Fever (100.4°) or chills
- Cough
- Shortness of breath/difficulty breathing
- New loss of taste or smell

Test for COVID-19

If test is **negative**

May return to school when:
fever-free for 24 hours
and other symptoms improving

If test is **positive**

Assess when the person's symptoms started and assess for in-school exposures. Then call Clallam County Public Health at (360) 417-2274

If **no** test and **no** more likely alternative diagnosis

Exclude from school/work for **10 days**, fever free for 24 hours and all other symptoms improving

Unvaccinated students/staff who have been in **close contact** with a person diagnosed with COVID-19 (15 minutes within 3 ft. if both parties were masked or within 6 feet if either were unmasked) will need to quarantine for 10 days from their last exposure.

Fully vaccinated students/staff do not need to quarantine but do need to wear a mask and test 3-5 days from their last exposure.
